Youth Filmmaking eXperience

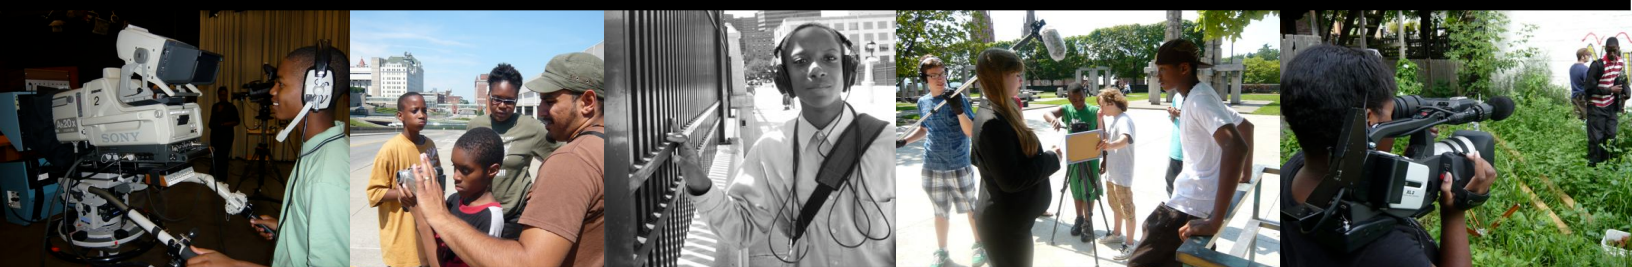

Summer 2010 Dates: July 5 — July 30

**YouthFX: Film eXperience** is a 4 week summer program like no other in the Capital District, where youth aged 14-18 learn what it takes to make movies. A program of Grand Street Community Arts, **YouthFX**, seeks to inspire and empower youth through a critical understanding and hands-on exploration of the creative and technical aspects of digital filmmaking. Led by a team of experienced media arts educators and local filmmakers, students will get a chance to express themselves by producing several fiction and documentary video projects while learning camera skills, editing techniques, acting and gaining an understanding of the art of visual storytelling. **YouthFX** is a great opportunity for teens to have fun this summer and experience all the excitement of filmmaking.

YouthFX 2010 will run 10am to 4pm Monday through Friday from July 5th till July 30th. The program is based out of Grand Street Community Artspace at the corner of Grand St. and Madison Ave., and will hold classes and workshops at The Albany Free School located at 8 Elm Street (Between Phillip and Grand Street). Spaces are limited and will fill up quickly, so please apply soon if you are interested. The cost of the 2010 Youth FX program will be \$400 for the entire 4 week program.
